1. Something got me started,
you know that I will love you,
lately since we parted
I truly know that I need you.

**I'd give it all up to you,
I'd give it all up to you,
I'd give it all up to you,
I'd give it all up to you,
I'd give it all up to you, (yes, I would)
I'd give it all up to you, (yes, I would)
I'd give it all up to you, (yes, I would)
I'd give it all up to you. (yes, I)**
